# Todd A. Morrow, MD, FACS

**OTOLARYNGOLOGY/HEAD & NECK SURGERY**

**COSMETIC & RECONSTRUCTIVE FACIAL PLASTIC SURGERY**

For 19 years, Dr. Todd A. Morrow, a founding partner of Associates in Otolaryngology of New Jersey, has provided an unparalleled level of care to his patients.

Double board certified in facial plastic and reconstructive surgery and otolaryngology (ENT), Dr. Morrow performs cosmetic and reconstructive facial surgery, specializing in cosmetic nasal surgery (rhinoplasty) and ear surgery (otoplasty); minimally invasive facial rejuvenation (laser and endoscopic); facial reconstruction (scar revisions, surgical treatment of deformities following MOHS surgery for skin cancer and facial fracture repair); and non-surgical facial rejuvenation, including the use of Botox and soft-tissue fillers (Juvederm) for restoring volume lost during the aging process. In addition, a personalized medical skin care program is established for each patient with the help of Dr. Morrow's licensed and certified aesthetician. She also performs microdermabrasion and chemical peels.

For patients' convenience and comfort, surgery is performed at a private, ambulatory surgery center near Dr. Morrow's West Orange office. There, a highly qualified

operating team, hand-picked by Dr. Morrow, provides results that are consistently outstanding. Using computer imaging, Dr. Morrow is able to show patients a visual image of the anticipated results of their treatment. This helps to reduce a patient's anxiety and ensure his or her expectations are realistic.

Continuously rated among the top doctors in the New Jersey/New York metropolitan area, Dr. Morrow believes in an individualized, comprehensive treatment plan for each patient, performing all procedures and injectable treatments himself. His goal is to accommodate each patient's request while keeping their safety and well-being a top priority. In an ongoing effort to obtain optimal results for his patients in the safest manner possible, Dr. Morrow stays current on the latest techniques and technology within his field.

Although Dr. Morrow has performed thousands of facial plastic procedures (cosmetic and reconstructive), he measures his success by the quality of his work rather than the quantity. He feels honored and privileged, proud and grateful, to be entrusted with the care of every patient, and the opportunity to positively change their lives.
